EXCEPTIONAL CME | EXTRAORDINARY LOCATIONS

[WWW.MERL.ORG](http://WWW.MERL.ORG)

## **INTERNAL MEDICINE FOR PRIMARY CARE: GASTROENTEROLOGY/MEN'S UROLOGY/ PSYCHIATRY**

**Key Largo - Reefhouse Resort & Marina  
February 6 - 8, 2026**

**Friday, February 6, 2026**

**7:00 am**

**Check-In**

**7:30 am - 8:30 am - Gastroenterology**

**Management of Lower GI Bleeding- From Occult to Massive**

The correct use and interpretation of tests for occult blood in the stool will be discussed in relation to lower GI bleeding; focus on the utility of different diagnostic and management approaches to the spectrum of patients presenting with hematochezia

**8:30 am - 9:30 am - Gastroenterology**

**Colorectal Cancer Screening and Surveillance**

Reviews the most recent recommendations for CRC screening in the general population at average risk for CRC.

**9:30 am - 9:40 am**

**Coffee Break**

**9:40 am - 10:40 am - Gastroenterology**

**Celiac Disease and Chronic Diarrhea**

Millions of Americans are now on a gluten free diet. Only some of them actually have Celiac disease. We will review the workup of diarrhea and malabsorption with a focus on celiac disease; We will discuss how to diagnose celiac disease when a patient is already on a gluten free diet and an appropriate differential diagnosis

**10:40 am - 11:40 am - Men's Urology**

**Androgen Replacement and Sexual Function**

Treatment algorithm and safety profiles for the treatment of erectile dysfunction; testosterone supplementation for the treatment of ED or hypogonadism

**11:40 am - 12:40 pm - Men's Urology**

**Sexually Transmitted Infections in Men**

Presenting symptoms, lesions, latencies, diagnostic work-ups and therapies of the common sexually transmitted diseases

**12:40 pm**

**Session Adjourns**

**Saturday, February 7, 2026**

**7:00 am**

**Arrival**

**7:30 am - 8:30 am - Men's Urology**

**Benign Male Genitourinary Conditions**

Appropriate primary medical management of lower urinary tract symptoms (LUTS) (also known as BPH) as well as identification of patients with complex or refractory cases that warrant referral; diagnosis and treatment of epididymitis, testicular pain, prostatitis and other benign findings

**8:30 am - 9:30 am - Men's Urology**

**Male Malignancies (Prostate & Testicular)**

Biology and treatment options using current medical technology of prostate cancer; evaluation and treatment of testicular cancer and long-term ramifications after cure

**9:30 am - 9:40 am**

**Coffee Break**

**9:40 am - 10:40 am - Gastroenterology**

**Approach to Elevated Liver Function Tests**

The elevation of elevated liver function tests can be challenging, how much testing is needed?; Discussion of common sources of elevated liver function tests; Recognition of Non Alcoholic Fatty Liver Disease; Hepatitis B evaluation and treatment; Hemochromatosis evaluation; A primary care perspective on Hepatitis C

**10:40 am - 11:40 am - Psychiatry**

**Bipolar Spectrum Disorders**

Bipolar spectrum disorders in adults as compared to youth; Comprehensive history-taking; Differential diagnosis; Co-occurring psychiatric and medical conditions; Phase specific treatment considerations and interventions

**11:40 am - 12:40 pm - Psychiatry**

**Anxiety Disorders**

The nature of anxiety; Generalized anxiety disorder, panic disorder, social anxiety disorder and post-traumatic stress disorder; etiology and diagnosis; Co-occurring conditions; Treatment options for these disabling conditions

**12:40 pm**

**Session Adjourns**

**Sunday, February 8, 2026**

**7:00 am**

**Arrival**

**7:30 am - 8:30 am - Psychiatry**

**Substance Use Disorders**

Substance abuse history-taking to encourage patient honesty; Accurate diagnosis; Use of screening tools; Brief intervention; Recovery and treatment options; Motivational interviewing; Family symptoms and codependency

**8:30 am - 9:30 am - Psychiatry**

**Depression and Suicide**

Assessment of depressive symptoms in adults; Assessment and mitigation of suicide risk; Treatment of depression

**9:30 am**

**Conference Adjourns**

### Target Audience

This program is targeted to office-based primary care providers and other health professionals with updates in primary care medicine

### Learning Objectives

Upon completion of this program, participants should be better able to:

- List current treatment recommendations for the management of lower GI bleeding
- Discuss the guidelines for colonoscopic colorectal cancer screening and surveillance
- Recommend appropriate testing for the workup of celiac disease
- Describe needed testing for elevated liver function tests
- Discuss medical management of male sexual health
- Evaluate and manage sexually-transmitted infections in men
- Differentiate between benign prostate conditions and prostate cancers
- Discuss the biology and screening, and treatment options of prostate and testicular cancer
- Discuss mood stabilizing psychosocial and pharmacologic treatments of bipolar disorder as well as frequent co-morbid psychiatric disorders
- Review current evidence for the treatment of anxiety disorders
- Describe strategies for identifying and treating substance use disorders
- Describe symptoms that move depression to plans for suicide

### **Disclosure of Relevant Financial Relationships**

Medical Education Resources ensures balance, independence, objectivity, and scientific rigor in all our educational activities. In accordance with this policy, MER identifies financial relationships with its instructors, content managers, and other individuals who are in a position to control the content of an activity. All relevant financial relationships have been mitigated by MER to ensure that all scientific research referred to, reported, or used in a CE activity conforms to the generally accepted standards of experimental design, data collection, and analysis. MER is committed to providing learners with high-quality CE activities that promote improvements or quality in healthcare, and not the business interests of an ineligible company.

### **Disclaimer**

The content, views and opinions presented in this educational activity are those of the authors and do not necessarily reflect those of Medical Education Resources. The authors have disclosed if there is any discussion of published and/or investigational uses of agents that are not indicated by the FDA in their presentations. Before prescribing any medicine, primary references and full prescribing information should be consulted. Any procedures, medications, or other courses of diagnosis or treatment discussed or suggested in this activity should not be used by clinicians without evaluation of their patient's conditions and possible contraindications or dangers in use, review of any applicable manufacturer's product information, and comparison with recommendations of other authorities. The information presented in this activity is not meant to serve as a guideline for patient management.

## Accreditation Statements

### Joint Accreditation for Interprofessional Continuing Education

JOINTLY ACCREDITED PROVIDER™  
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, Medical Education Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

This activity was planned by and for the healthcare team, and learners will receive 12 Interprofessional Continuing Education (IPCE) credits for learning and change.

### Physician Credit Designation

#### AMA PRA Category 1 Credits™

Medical Education Resources designates this live activity for a maximum of 12 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### American Board of Internal Medicine MOC Recognition (ABIM)

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 12 (part II) MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

### American Academy of Family Physicians (AAFP)

AAFP has reviewed Internal Medicine for Primary Care: Gastro/Men's Uro/Psych and deemed it acceptable for up to 12.00 Live AAFP Prescribed credit(s). Term of approval is from 2/6/2026 to 2/8/2026. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### American Osteopathic Association (AOA)

These programs are approved for 12 hours in Category 2-A by the American Osteopathic Association.

### American College of Emergency Physicians (ACEP)

This program is approved by the American College of Emergency Physicians for a maximum of 12 hours of ACEP Category I credit.

### Canadian Physicians

The American Academy of Family Physicians (AAFP) and the College of Family Physicians of Canada (CFPC) have a bilateral reciprocal certification agreement whereby: CME/CPD activities held across the Canada - U.S. border are certified according to the nationality of the primary target audiences regardless of where the providers are located. The activities will be reviewed according to

the criteria of the certifying organization.

### **Nursing Credit Designation**

#### **American Nurses Credentialing Center (ANCC)**

Medical Education Resources designates this live activity for a maximum of 12 ANCC nursing contact hours. Nurses will be awarded contact hours upon successful completion of the activity.

This activity is designated for 5.5 ANCC pharmacotherapeutic contact hours.

#### **American Academy of Nurse Practitioners (AANP)**

The American Academy of Nurse Practitioners (AANP) Certification Board recognizes and accepts continuing education (CE) contact hours from activities approved by AMA, ACCME, ANCC, AANP, AAFP and AACN.

### **California Board of Registered Nursing**

Medical Education Resources is approved by the California Board of Registered Nursing, Provider Number 12299, for 12 contact hours.

### **Physician Associates Credit Designation**

#### **American Academy of Physician Associates (AAPA)**

Medical Education Resources has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 12 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

### **Pharmacy Accreditation**

#### **Accreditation Council for Pharmacy Education (ACPE)**

Medical Education Resources (MER) designates this live continuing education activity for 12 contact hours (1.2 CEUs) of the Accreditation Council for Pharmacy Education.

Universal Program Number: JA0003680-0000-26-XXX-L01-P

Participants will be required to sign in at the start of the program and/or complete a program evaluation.

Credits will be uploaded into CPE Monitor within 60 days of the activity.

This activity is certified as Knowledge-based CPE.
